Feedback Analysis 2020-21

Due to Covid-19 outbreak, college introduced online feedback system this year for students through Google Form. College has collected offline feedback from Teachers. For stakeholders, IQAC has created feedback formats. Students received the formats online. Through a feedback committee, the IQAC gathers and analyses feedback and comments from all stakeholders. Received feedback will helpful for upgrade quality of higher education and upgrade the infrastructure facility in the College.

The feedback of students, teachers, and employers about the curriculum show how beneficial it is for society. Under the direction of the principal and other senior faculties of the College, the inclusive report is created and finalised following analysis of feedback regarding the syllabus. The Principal and the Heads of the various Departments held a discussion on the numerous concerns surrounding the syllabus and innovation in the college teaching process. The principal suggested the department heads to approach the BOS chairman for necessary action. The principal advised the department heads to strengthen and place emphasis on the students' weak areas. Teachers are urged to devote more time to subjects that require deeper understanding and to employ ICT in Teaching Learning Process. A report on feedback analysis was submitted to the College Principal. She informed the IQAC members that the analysis of feedback was quite satisfactory. The Strengths and Weakness of the college are also taken into consideration for further up gradation. Some of the decisions have taken by the college to improve quality education from this feedback analysis and suggestions as below:
